## Table of Contents for Volumes 11–20 1970–1979

---

Tables of contents were not provided in the original issues of *Bat Research News* until Volume 18: Number 4 (1977). The listing of contents for volumes 11–16 and 18–20 presented here was prepared in 2010/2011 by Dr. Margaret A. Griffiths, Editor of *Bat Research News* at that time. Any errors in the following list is inadvertent. Please note Volume 17 (1976) was not published.
